

# WELCOME TO THE HIDEOUT

## INDEPENDENTLY OWNED – PASSIONATELY RUN

Contrary to popular belief, we're not part of a big chain. The Hideout is an independent, locally owned restaurant built with love, hard work, and a passion for great food and good times.

We're proud to be part of Scarborough's community; every visit, meal, and recommendation means the world to us.

This winter, we've put together a menu with our talented head chef Mike. It's all about hearty, comforting food at great value – because we know times are tough, and a proper meal out should still be something special.

Whether you're here for a feast with mates, a midweek treat, or just a pint and a bite, we've got you covered.

Thanks for spending your time (and your appetite) with us!
