Banana Split v.....6.5

Old-school classic with a proper glow-up. Ripe banana, creamy vanilla ice cream, chocolate sauce drizzled like we mean it, and a flurry of sprinkles to finish. Oh, and don't forget the squirly cream – we never do.

Warm Chocolate

Brownie v6.50

Rich, fudgy, fresh from the oven. Served with a scoop of vanilla ice cream and a good drizzle of chocolate sauce. The classic. No notes.

Cookie Dough

Sharer (FOR 2) v8.5

Warm, gooey cookie dough straight from the oven, made for sharing (or not, we're not judging). Comes with two scoops of ice cream to melt right into it. Pure comfort. Best enjoyed with a mate or your favourite enabler.

Key Lime Pie6.5

Zingy, zesty and totally irresistible. This sunshiney slice of heaven comes in a crunchy granola d crust, served with a generous squirt of cream on the side. Tart, sweet, and just the right kind of cheeky.

Add a scoop of vanilla ice cream for 2.50

Because pie and ice cream just makes sense.

Ice Cream (2 scoops) v5

Classic, simple, sweet. Two scoops of your choice:

Vanilla

Strawberry

Chocolate

Toffee Fudge

Lemon Sorbet

Finished with sauce on top.

Because sometimes that's all you need.

EACH

WAFFLES

Fresh, warm, and loaded with the good stuff. Single waffle, a scoop of ice cream, and toppings worth getting messy for.

Berry Naughty v

Mixed red berries, strawberry ice cream and a sweet drizzle of strawberry sauce — finished with frozen raspberry pieces for that sharp little kick. Naughty by nature.

Oreo-verload v

Crushed Oreo cookie, vanilla ice cream and chocolate sauce all over a golden waffle. Topped with frozen raspberry pieces to keep it classy (sort of).

T'waffle v

Homemade praline toffee, warm toffee sauce and vanilla ice cream, topped with frozen raspberry pieces. Sweet, sticky and stupidly good.

EACH

The Birthday Blowout

Vanilla ice cream blitzed with whole milk, raspberry sauce and topped with party rings, a sugared donut and fluffy marshmallows. Finished with a swirl of cream and served in our signature 18oz skull glass. It's a sugar rush in disguise.

Choc Overload

Chocolate ice cream, whole milk and chocolate sauce smashed together, then stacked with a sugared donut, Kit Kat fingers and crushed Oreos. Drowned in cream and served in an 18oz skull glass. It's dark, dangerous and delicious.

Strawberry Short-shake

Strawberry ice cream meets strawberry sauce and whole milk, with a pink wafer, jammy dodger and a sugared donut on top. Cream for days, all loaded into a beastly 18oz skull glass. It's sweet, pink and packs a punch.

Banoffee Bomb

Toffee fudge ice cream blitzed with milk and toffee sauce, crammed with a full banana, a sugared donut and foam banana sweets. Crowned with a creamy peak and served in our 18oz skull glass. This one doesn't mess about.
