About Yorvale

For almost 30 years Fossfield Farm has been the home of York's only real dairy ice cream, Yorvale. Using traditional methods and the finest natural ingredients we produce rich and creamy dairy ice cream from our family farm in the vale of York.

Our herd of dairy cows graze on lush Yorkshire grass and because they only ever produce milk for Yorvale, the result is stress free cows that produce really creamy milk which is pasteurised on the farm before being mixed with the finest natural ingredients to create our exquisite products.
